Instructor: Vicki Slater, RN, PhD, CHTP/I

Vicki Slater, RN, PhD has studied with physicists, electricians, mechanical engineers, and anyone who could help her answer her questions: "How does Healing Touch work?" "Who are we as Physical beings, rather than just Biological ones?" As she gradually discovers the answers to these questions, her nursing practice is evolving to include an ever broader based holistic and spiritual approach.

She has published her theories in the **Journal of Holistic Nursing** and in Dossey and Keegan's "**Holistic Nursing: A Handbook for Practice, 5th edition**". She participates in Healing Touch research when possible.
